## EMSC COVID-19 Protocols Update – January 2022

**Date:** January 3rd, 2022

**To:** EMSC Membership

**CC:** Staff, Board Members

**From:** Matthew Kassabian, General Manager

**Subject:** EMSC COVID-19 Protocols Update - Programs Paused

Dear Eagles,

In line with the announcements made today by the Government of Ontario and our Governing Body Ontario Soccer, the Erin Mills Soccer Club has been forced to pause all programs and facility rentals until further notice.

We recognized that this pause in programming impacts all programs in a different capacity. We will communicate directly to each program group with further information within the coming weeks.

The mental and physical health and wellbeing of our players, coaches, parents, guardians and staff is immensely important to us and is our top priority. EMSC is truly dedicated to ensuring that we can have a safe and swift return to play as soon as possible. Please stay tuned as further details and updates will be shared as necessary.

We appreciate your patience and understanding. Thank you for your continued support.

Best Regards,

Matthew Kassabian, General Manager
